The Wild symbol in this game shows up on the second, third and fourth reels only. Once three of them appear simultaneously on corresponding reels you will be granted with five free spins. You will be awarded with extra spin for every win combination containing the Wild symbol. The scatter free spins bonus can't be triggered during wild free spins and vice versa. The Wild symbol also performs its regular function by replacing all game symbols except the Scatter symbol. First of all select how many reels you need in the game. Then place your desired bet. In this slot, you can bet from 1 up to 100 coins per reel. Now you are ready to play this classic game. Your main goal is to match the same fruits on the active pay lines creating the delicious combinations, which bring your fantastic prizes. The game theme is Antarctic shores. Here is cold, ice is everywhere, but you can still observe nice views and inhabitants of this continent. Cute penguins, dangerous killer whales, serene seals, and the exotic fishes represent the game symbols. They are nicely animated and drawn. And the background picture shows the bottom of the Southern ocean. The atmosphere of the oceanfront is also supported by beautiful sound design. During the game you will hear the sounds of the ocean beat and crying of the seagulls and the seals instead of the background music. The game is very exciting and interesting. If you wish to travel to the cold, but nice continent, visit SlotsUp.com and play Orca online for free along with many amazing free slots online. You can play all video slots for fun at our web site without registration and downloads. pub accommodation casino nsw

When WMS decided to purchase two companies, by the names of Phantom EFX and Jadestone Group, it made the decision to create Williams Interactive to act as an umbrella company for these newly acquired assets. Williams Interactive would combine and manage the two firm's experience and within a short period of time, over 100 games had already been released. Since Ariana is a mermaid, a bit of her background is pertinent. Mermaids are half-human half sea creatures of the sea. Recorded maritime journals say that mythological creatures were in existence since man began to take ocean voyages. Homer the ancient Greek classic writer wrote about mermaids in his book The Odyssey. The male counterparts of mermaids were called mermen. The Hindus accept Matsya Avatar, the Fish God who saved the world from destruction in previous yugas or eras. The Matsya Avatar is one of the first gods that Hindus worshipped and probably the first mermen that was ever written about in the human race. The Matsya Avatar is depicted as a Vishnu incarnation with a mermaid body. In other Far Eastern cultures, mermaids were the wives of mighty sea dragons. They provided communications between their husbands and the emperors who were ruling the land. The bonus game on Get Rocked is probably not the kind of game that most pokies players are looking for when they search out a bonus machine, but Microgaming says it's a bonus so it is considered a bonus. To start the bonus game, the lead singer wild symbol must appear on the game's second and fourth reels at the same time on an active line – that's how the Solo Pick and Win round starts. Symbols and Features: Play this awesome slot machine and enjoy diverse symbols it offers. You can win up to 1500 coins thanks to different animals and typical card symbols. The amount of money, you win, depends on the number and kind of symbols. Wild card substitutes for any symbol on the dashboard and chooses the line with the highest payout. Scatter symbol triggers 5-15 bonus free spins, which are played automatically and cannot be retriggered during free spins mode. Moreover, 3 or more Bonus symbols launch bonus game round, where you can win quite good prizes by picking the right chests. all star slots \$ no deposit 2017
