Baccarat – Baccarat is no longer just a game for experienced high-rollers. Contrary to popular belief, it's easy to learn and play, with a grand total of three betting options and a house edge as low as 1.06 per cent, if you bet on the banker. There are a few initial baccarat guidelines to familiarise yourself with in order to know when banker and dealer draw cards, but once acquainted with those simple rules, this can be a very enjoyable (and addictive) game. While many brick-and-mortar establishments require minimum baccarat bets often not suited to our bankrolls, such is not the case with online baccarat. Sites such as Casino-Mate.com allow us to bet as little as \$1 per hand. I contacted them and they told me that I redeemed a bonus code before making my deposit. They said I used up my \$1,200 and that the bonus was used to win the \$9477. I asked where the \$122 came from and they said it was my max cash out. Then they said that I couldn't get it until I matched the amount of the bonus (\$150), in additional deposits (\$27 more)! Do not play this casino. After what happened to me and reading all of these reviews, it is for sure they are ripping people off. gaminator download
