Two cards are dealt to both hands. Hands are scored by adding up the point values of each card – Aces are worth one point, numbered cards are worth their printed value, and Tens and face cards are worth zero points – however only the last digit of the hand's total is counted; thus, a hand containing a Nine and a Five (sum of 14), is worth four points, since the only digit that matters is

the final one. Nine is the highest possible score for a hand, while zero is the lowest possible score. This casino ripped me off of my winnings, because I used a free bonus code, even though I deposited more than the bonus. They said that the code, which I got from bigfreechiplist, did not belong to me. Then, they said that I had to forfeit my deposit, because, it is in the rules about using a code that doesn't belong to you. In total, they reset my balance from \$3,700 down to \$0. And, that also wiped out my \$300 deposit! The bonus was for JUST \$50! I have already contacted an attorney. Because, they basically robbed me!
