Everyone loves fruits. Oranges, grapes, bananas, apples, whatever. Fruits taste good, look good, they quench your thirst and now they can even bring you some money. When we talk about casino games, the first thing that comes to mind is slots. And when we talk about slots, the first thing that comes to mind is fruit machines. When the gambling era was just starting, those 3-reel fruit slots were the only option for the gamblers. Firstly they were only available in bars and land-based casinos, then they moved online and everything has changed since then. RTG is popular for its Real Series video slots that are some of the highest paying slots in the industry and that give out random jackpots. These random jackpots are triggered regardless of the combination of symbols found on the reels. If you like really big jackpots that can make you a millionaire then you can try the progressive jackpots such as Aztec's Millions, Jackpot Pinatas and several other.
