There are many types of wild symbols in this slot machine. As you play more and more, the Nautilus goes deeper and deeper into the ocean as indicated in the depth meter. As the submarine passes the locks a different and more powerful wild symbol comes into play. The slot machine begins with the regular wild symbol. Next are the multiplier wilds that double or triple payouts. The pressurised wilds convert all symbols below them into wilds. Lower down clump wilds appear in groups. Finally the entire reels turn wild. When the pressure meter reaches the maximum, the submarine begins its ascent reversing the sequence of wild symbols. All wild symbols appear only on reels 2 to 5.
