When you're new to playing slots, everything about them can seem very confusing. Besides learning all kinds of rules and strategies for actually playing the game, you've got a whole new vocabulary to figure out. But don't panic – slots terminology is not there to confuse you. Most of it is just a kind of verbal shorthand to talk about common slot machine game play concepts in a brief but colorful way. Here is a guide to "slots speak" to help you understand some of the most frequently used terms. Like lots of the free spin slot games, Turning Totems gaming slot also has the Wild symbol. It comes in the shape of the Eagle and its function is to comprise the various winning combinations. The Wild symbol represents any icon but Thunder Snake pictogram. But Turning Totem online slot also has the Sleeping Wild symbol. Until it is active it acts as the ordinary symbol and looks like the eagle with the closed eyes. But once it appears on the Thunder Reel, the eagle wakes up and becomes the Wild symbol! As the Thunder Reels remain active during the bonus game, you may expect a lot of the waking Sleeping Wilds and more wins respectively! Perhaps the best tip I could tell you is to never split two tens but always split two eights. The reason is that a hand with two tens can easily add to 20 and your main goal is 21. Therefore it will be hard for the dealer to beat you since he needs 21 when you are much closer to it. Two eights always add to 16 and is said to be the worst hand in blackjack therefore if you split the eight you at least have a chance of one winning hand. In the same time, you should better stay away from those of the Bosnia and Herzegovina casino games online platforms which have been licensed in Belize, Costa Rica or Panama. No one will guarantee you that your question concerning delays with money withdrawals will be ever answered by the customer support of such websites which definitely do not belong to the top 10 online casinos Bosnia and Herzegovina.
