Microgaming has produced Bonus Blackjack as a variant that has all the fun of the original game plus more payouts for players. As a quick overview, the game is played with 2 decks of regular playing cards, shuffled prior to every round. The dealer must stand on a hand of 17. The player wins if he beats the dealer with a hand of 21 points or fewer, meaning the dealer's hand is worth less or the dealer busts (gets more than 21 points). Winning will award the player a payout according to the value of his hand. If he wins the side bet (predicts whether his first 2 cards will be the same suit), he will receive an additional payout of 5:2 for any 2 same suit cards, 25:1 for an ace and a jack of the same suit, and 50:1 for an ace and a jack of spades. All video poker games are standard 5-card draw games, the player is dealt 5 cards and then given the option to hold or discard as many of the 5 as they wish, before drawing again, and hopefully landing a winning hand. It usually takes a pair, often jacks or better (hence the name of the original game) to win, and the jackpot usually comes when the player deals a royal flush. However, you should understand it's not always possible to provide some slots in free demo mode due to various

reasons. The point is some slot machines can exist only in the offline mode in land based casinos, and it's impossible to get them online, although we hope it's just for now. Then, there are slot games with progressive jackpots are unfortunately unavailable in play "for fun" mode. At Royal Vegas it really couldn't be any simpler, and that initial \$1,200 sign-up bonus is actually split over 7 different deposit matches. As soon as you sign up and make a deposit, there is nothing else to do as we will automatically deposit the match bonus into your account, usually within about an hour. That really couldn't be any simpler, but there are other bonuses on offer at Royal Vegas, and those do require a small, I mean really small, amount of work on your part. What are way wins? Way wins are awarded for adjacent left to right matching symbol combinations, with multiple winnings combinations awarded per way. Only the highest winning combination is awarded per symbol combination.
