Free Spirit gets high marks from us for its combination of a fun theme, good payouts and great bonus features. As with all three-reel games, we have to make the comment that this pokie isn't for everyone: if you want lots of fancy animations or bonus rounds, you won't find them here — this is a poker machine from an earlier era where those kinds of features just weren't expected (or even feasible). The maximum prizes are also modest, and there is no progressive jackpot. But if you're looking for a game that takes the old-style three-reel format and gets about as much out of it as possible, Free Spirit is an excellent choice. The symbols in this online pokie are all covered in snow and ice except the bear symbols and the scarf wearing sun. The Free spins round is activated when a player lands the sun symbol on reels 1 and 5. This will give a payout of 20 free spins and a 2x multiplier. The free spins can be re-activated during the free spins round. This is why players keep coming to Captain Jack Casino because they get to exclusively enjoy RTG games.
