Wild symbol – it is the oldest slot machine feature having existed since the times of one-armed bandits. Consider wild symbols to be the slot version of joker cards, as they can substitute for any symbol showing up on your reels to complete a winning combo that wouldn't be successful otherwise. To understand how wilds work, imagine there is a cherry icon on reel 1 and another one on reel 3. On reel 2, between these two, you have a wild, so this combination brings you a win.
