The high roller meaning is not hard to plumb. High roller or high limit slot machines are the offline or online slots that allow the large bets only. While most of the gamblers are playing slot games with small or average bets like 1-2 cents per spin, the high rollers can play on a \$100 slot machine. High rollers are the players that can spend dozens of thousands in the casino within a month and the most adventurous (and the richest) of them are called "whales". Whales are the high rollers that can play slot machines with the highest stakes, up to a couple of thousands per one spin and easily leave millions in the casino. Whales are the most welcome guests in both offline and online casinos. They are getting all the possible perks and additional services as one high limit slots player can make the 80% of the Vegas casino profit. To get the winnings just match the identical symbols on the pay lines. But let's see what else you can use to obtain the bigger winnings. The free spins feature is triggered with the help of matching three or more Scatter symbols. 15 free spins games will be given to you and your winnings for these rounds will be tripled. And more free spins also can be won during this feature. Like in many video slots you will also find the Wild symbol here. It helps you to match the symbols by substituting for any of them except the Scatter symbol. You can also use at your own risk the mini game which can multiply your winnings. Once you won in the spin round click one of the Bet buttons. The deck of shuffling card takes the place of the reels. Gamble on the card color. If the card with the gambled color will be the last in deck your winnings are multiplied. Take them or gamble again. But the wrong gamble voids all the payment for the last spin round. The wild symbol, as already described, incorporates the logo of the pokie itself, something Microgaming does often in their game designs. It substitutes for all other symbols in the game to form a winning combo. When a player lines up three of these symbols, they win the game's biggest fixed prize (15,000 credits for three-credit wagers) and the multiplier meter ticks up one notch. simpsons slot machine big win

Gameplay In this online casino game, you will find several additional symbols and features which will provide you with good wins and make your play more entertaining. Let's begin with the Shield symbol. The shield defends the warrior girls and helps you to complete the win combinations replacing the symbols. The only symbol which can not be substituted is the Heavy Metal Logo. The Shield lands on the second, third and fourth reels only. Once it appears, it extends showing the warrior girl and making this reel Wild. The warrior girl appeared on the reel awards you with one re-spin. Once three or more Heavy Metal Logos land anywhere you have to pick one of them. The chosen Logo will reveal the number of free games you will play. During them, an additional Shield may appear on the fifth reel. If it can become a part of the winning combination, the warrior girl appears and turns two connecting symbols into the Wild ones.
