Is it more beneficial to use a credit card or e-wallet at an online casino? A credit card is safer and more beneficial than an e-wallet because if a casino were to go under, you can possibly get your money back with the assistance of your bank. Certain cards and banks have excellent customer service and other perks as well for using your credit card. The change was brought about by the Productivity Commission's findings on the slots back in 2010. It was a way of reducing the harm that they believe is related to slots.
