Girls with Guns – Jungle Heat pokies are games available only through Internet casinos powered by Microgaming's software package. One of the many 243 Ways games produced by this designer, the setup is no different from other five reel pokies except that it lacks pay lines, allowing winning combinations across all the reels from left to right. Symbols don't have to be on the same invisible line across the screen. Bob's Bowling Bonanza pokies are probably the only real money gambling machines you'll find based on the action at a retro bowling alley. This unique theme fits well in Microgaming's stable of poker machines, since weird plots and characters are the foundation of their pokies library. Once they have exhausted their new player bonus of up to \$1000, spread over their first five deposits, players can take part in a variety of promotions at Fair Go. With the growing popularity of super hero team movies such as Marvel's The Avengers and X-Men, a type of scratch card we would like to see is one where you need to complete the team in order to win. A scratch off might reveal Iron Man and Thor, but not Captain America or the rest, so it doesn't win. Perhaps a winning card can feature three or four Avengers with different winning combinations and number of team members collected yielding different bonuses.
