The current New Zealand gambling laws were drafted in 2003 and the online gambling landscape has changed significantly since then. New Zealand Minister of Internal Affairs, Tracey Martin, was quoted by The Spinoff

saying that there's a need to update gambling laws. Seeing how this is just one of a handful of incidences that clearly cannot define the gambling law grey area, the call to rewrite the law is justified. Zorro is the wild symbol and it awards the top line payout when five appear in an active payline. Tornado is the scatter symbol. Welcome to the dark battle weary lands of Westeros, where the dark background is only partially livened up by the symbols on the reels. The shields and court of arms are the high paying symbols in the game. Even the usual high playing card symbols Jack, King, Queen and Ace have a dark and menacing look. It takes a pretty scientific approach to casino game design, with mathematical modelling and finely targeted player demographics feeding into the game from the word go. In other words it doesn't just roll out games; it creates games that are specifically designed to yield more or less predetermined results.
