Play the card gamble game and try to guess black or red color of the next card in the deck. You can gamble half of the bet in both games to secure your wins. Wild symbol – it is the oldest slot machine feature having existed since the times of one-armed bandits. Consider wild symbols to be the slot version of joker cards, as they can substitute for any symbol showing up on your reels to complete a winning combo that wouldn't be successful otherwise. To understand how wilds work, imagine there is a cherry icon on reel 1 and another one on reel 3. On reel 2, between these two, you have a wild, so this combination brings you a win.
