tighten up every game i played so i would lose it all which i did...when back to play a few more times with more deposit and same story every time i hit a feature i would make any money...so it seems they tighten all the games for me so that i would get a big run ....another thing is i should be on their level 1 vip since all it take is deposit of \$500 which i have deposited more then...still no lv 1 vip That result meant the Tigers dropped out of the top eight down to 9th on the ladder. A common one is to use a bigger deck, which is a major reason so many games have 6-deck or 8-deck shoes these days. Another is to have less penetration of the shoe.
