Birds on a Wire looks awesome because of the high quality of graphics and animations, both of which contribute to a superb interface. More than that, what will surprise and impress you is the way the symbols appear on the screen: they do not spin; instead they drop on to the screen. When you score a win, the symbols that are part of the win look like they have been hit by a big bolt of electricity and get fried to finally vanish, their places taken by a fresh set of symbols that drop down. The new symbols can also potentially form winning combinations to increase your win. Competitions Australia 25 words or less
