Before we get into this title's unique way of paying out prizes, let's look at some game basics. Billion Dollar Gran has a funny theme – an old wealthy lady that likes nothing more than handing out stacks of her cash. In the game's animated background, we see our sweet little old Gran sitting on a royal throne / rocking chair knitting away. As you play the game, Gran rocks back and forth and does her knitting as the reels spin. The usual trappings of the old woman – a cat, for example, are juxtaposed with stacks of cash, jewellery, money bags, and other luxurious items. Unless you turn off the volume or the sound effects, Gran will occasionally perk up and say something off-colour or unexpected. As an added bonus, hitting three or more of these scatter symbols will earn 15 free spins. During the free spins game, all of your winnings will be tripled, and it is even possible to retrigger additional free spins if you can hit three or more of the scatter symbols again during a spin. Over the last few years all the slot games developers that consider themselves progressive have begun developing online slots using HTML5 technology to enable the products function flawlessly in any browser, and, of course, improve users' graphical experience through the ability to employ richer visual effects.
