Gold Coast, a somewhat classic-style poker machine game by Microgaming, is designed to reflect the warm summer days and vacation mindset of Australia's own Gold Coast. The Gold Coast, on Australia's eastern shores, is one of the nation's best-known spots for surfers and other tourists looking for relief from the ice and snow of the northern hemisphere's winter, which takes place during Australian summers. Designers and companies will be keen to build more of their applications and services with browser formatting – a language which has become capable of allowing browser apps to perform the same tasks as native apps. And such technology has been predicted to surpass the technology used to build traditional market applications. Experts expect interactive companies and creators to take advantage of the multi-platform landscape we are headed towards, and design software which can be conveniently accessed across all mediums.
