First of all, the hands, or groups of cards that you use to play against other players, always have the same value. A royal flush, or a hand consisting of an ace, a king, a queen, a jack and a ten, all with the same suit, is always the best hand a player can have. Nothing beats it. This is followed by a straight flush, or a group of five cards in sequential order that all the same suit. It is important to note that a straight flush of 7, 8, 9, 10 and jack is better than a straight flush consisting of a 3, 4, 5, 6, and 7 because the numbers of the first straight flush are higher than the numbers of the second. reel spin casino no deposit bonus codes 2018
