A hallmark of the movie-based casino slots is that they have official film company licenses and can legally use the movie materials in the gameplay. That's why the games will probably feature the official movie soundtrack and the movie characters as the game symbols. Some of the games can also have short parts of the movie interrupting the gaming process to create the full-immersion into the picture. When the movie has a few sequels, it's highly possible that there will also be a few parts of the slot game so you can start from the first one and gradually get ahead to the next parts collecting all the winnings on your way. So, a casino will become blacklisted if they behave in a manner whereby its acts are always contradictory to the best interests of its players. Please take note however, that these are not casinos that we have a problem with. Many online casinos do not offer the best service, yet this doesn't mean that their practices are unfair or worthy of being blacklisted. This guide is going to look purely at internet gambling sites that have or are busy committing serious offences and should be avoided by Australian gamblers at all costs. Below is a list of offences that will ensure that an internet gambling site will become blacklisted. List of casino software providers
