The slot is rich in colors. On the reels one finds all colors of the rainbow. The theme of the game is jewelry and gemstones. Though there are no special graphic effects and everything is rather simple and without any whims, the outlook of the game is nice and pleasant, and that is, actually, because of high definition of the graphics. The music is calm and not very noisy, after pushing the Spin button there comes the sound of rotation and some special sound effects when gaining the win. The Game of Thrones Online Pokies also has a gamble feature. Here there is a coin flip and if you get the guess correct then you'll see a map along which you'll travel and gain prizes. The most commonly asked question by Australian casino fans is whether they are allowed to gamble on the Internet and whether online casino gambling is legal in their state. The answer is yes and we don't point this out simply because it is what you want to hear. Aussies are allowed to gamble online and play online casino games even though there are current government restrictions like the Interactive Gambling Act of 2001. However, these laws and restrictions have minimal effect on Australian players. They have more to do with regulating iGaming in the state and controlling AU-friendly virtual gambling sites. Some slots players are wary about sticking to one game or casino. They worry that being a loyal customer will affect their odds - Not so, all players whether new or established have the same chances of winning. What about the casino being able to tamper with your game algorithm so as to tip the odds in favour of the house? The technical possibilities do exist however no regulated casino, whether online or land based, would take such a risk. If they were caught partaking in such activities, they would be shut down in an instant. Therefore it is in your best interest to only play with regulated casinos. Licensing and regulation information should be displayed on the casino website. Whether or not Australia's online betting industry will become increasingly consolidated in future remains to be seen.
