FC Barcelona has signed a three-season sponsorship contract with the London-based online gambling company, Betfair. The contract took effect on 1 July 2016 and will run until 30 June 2019. Part of the agreement is that online gambling giants will have their logo on display in the home ground of the Spanish football team's LED systems and through the team's digital channels. De forklarer også at eventuelle gevinster som kommer fra free spins uten innskudd vil automatisk konverteres til vanlig casinobonuspenger, som er underlagt casinoets vanlige eller generelle bonusvilkår. Først etter at omsetningskravene i vilkårene er oppfylt, vil spillerne få lov til å gjøre et uttak, ikke før. The wild symbol of the game is the Untamed Giant Panda symbol which yields Wild tokens added to the counter below the reels. With 4 wild symbols on the counter, an entire reel becomes wild on the following spin and on 4 subsequent spins which significantly increases a player's winning opportunities. The bejeweled eye is the scatter symbol of the game and rewards 10 free spins when three or more symbols are lined up on the reels. Players can use the Lucky Nudge to nudge in a win and activate the free spins in instances where the bejeweled eye is just visible at the edge of a reel. Look out for the Gamble feature, a unique concept based on the card suit or color prediction which allows players to gamble up to 20x the original bet size per spin and to retain up to 50% of the original bet. 99 slot machines review
