Like in many casino video slots the Wild symbol is also present here. It completes the winning combinations by substituting for all game symbols except Scatter symbol. But in this slot it appears on the first and fifth reels only. To launch free spins you need to match the Wild symbol anywhere on the first and fifth reels and the symbol with the Wheel in the middle of the central reel. And you will meet with the additional Ferris wheel feature. The symbols on 2, 3 and 4 reel begin to circling around the wheel symbol after each free spin. At each stop any winning combination is paid and the next free spin is launched. Once the Wild symbol appears on the reels again during the free spins, one additional spin will be given to you. You can also try your luck and play mini gamble game attached by the developers to this slot. Gamble on the card color to multiply your winnings
