You can enter the live casino via your personal casino account and make your bets through your casino account's link to your digital bank account. This means that all of your deposits and all of your wins will be transmitted in Australian dollars. Note: There are scenarios with this form of wagering where both options may not come to fruition, and that's why odds of over \$2.00 can be offered, even though there are only two options in play. A final margin ranging from seven points to 16 points would not be a successful result for either of the \$2.10 bets. As per the original final score above, the winning margin of eight points does no one any favours if they took either of the points wagers. 777 Casino describes itself as in the premier league of Casinos and who are we to argue!
