You can bet 3 coins maximum. Each symbol has its value. The cheapest one is cherry; the most expensive one is the Dream Wheel. The Dream Wheel / Logo Symbol is wild and it substitutes for any other. One such symbol doubles the win, two quadruple the win. Only the highest win on the center line is paid. The Spin Symbol on the last reel triggers the Dream Wheel feature. During this feature the jackpot may be won if three such symbols fall out. The bonus wins are added to payline wins. No matter how great your system, no matter how perfectly you play, the overwhelming factor in gambling is pure luck. You can't control how the cards fall, where the wheel lands or where the reels stop. This doesn't mean that you shouldn't try to play as well as you can. We're just advising you to accept that you're going to get good luck and bad luck, and to take them both with good humour. There's nothing more destructive to your bankroll than getting angry at a piece of bad luck and going on tilt, throwing one reckless bet after another.
