Therefore you should not trust those gamblers who say that they managed to become a successful roulette players. Sometimes I hear that somebody learnt super strategy. They say that this strategy works and helps them to win big money. But this is bullshit. Of course, such people might really believe that a strategy works but this means that mentioned gamblers are stupid or maniacs. There is no magic of numbers in roulette. You should not think that lucky 7 or 13 is really worth of placing bets! One smart person once said that there is only way to win stably in roulette – to steal money from the table. Therefore you should forget about skill, magic and special knowledge. At the same time it is crucial to know some basic rules. There is another advice for those who dream about making money in casino – open your own casino! cheapest craps tables in vegas 2017
