This weekend sees the mighty horse-powered F1 machines roll into Austria for another three days of racing and exhilaration. Pitting their wits and skills against each other in the battle for glory, the drivers will head to the Alpine region, ready to do battle. The Grand Prix held at Spielberg's circuit was originally a daunting 5.9 km blast but has now been shortened to 4.3 km ahead of F1 racing's return in 1997 and has stayed pretty much the same length ever since. In terms of lap distance, it is the third-shortest track of the year after Monaco and Brazil. Austria's is certainly one of the best courses on which to take a gamble. Last start Dubai Sheema Classic winner Jack Hobbs is the \$3.50 favourite, while a good chance is also given to Ulysses (\$4.50), who won a Group 3 at Sandown last time. There are also some interesting bonus games available, including Bug Collector. Landing three glass bottles on one payline will trigger this bonus game mode, presenting players with nine glass bug jars. Each of these contains a cash prize and players can keep choosing jars until they land on the X-symbol jar, which ends the round. Extreme casino no deposit bonus codes 2018

The layout of the table looks somewhat similar to roulette with the wheel having red, yellow and blue coloured wedges instead of the numbers that are on a traditional wheel. Numbered bingo balls are then dropped onto the spinning wheel from a classic bingo machine at which point players have the option to bet on colours, individual numbers and combinations of numbers, with the wagers increasing with the number of bets placed. Some players also feel that these games are more trustworthy. There are no computerised random number generators involved, just real Roulette wheels and the highly trained croupiers. Note that there are no free live Roulette games – the tables are reserved for money players. I'm a big fan of No.2 Lord Aspen in the main race, the Chester Manifold Stakes. This guy loves Flemington, having won twice here from four starts and he loves the 1400m, where he has three wins from four starts. The game itself is a 5-reel, 243-way online pokie, and holds a minimum and maximum bet per spin of \$0.30\* and \$112.50\*, respectively. Players can win up to a maximum of \$450,000.00 An ominous full moon light the town below the reels – there's other elements to add to the Halloween-like experience, including an owl that may move on its own accord, and bats that suddenly take flight across your screens. border casino facebook

The United States' Chloe Kim in the women's snowboard halfpipe has been one of the most discussed athletes leading into the games and is priced a clear \$2.30 favourite in her event. A snowboard halfpipe multi of Kim into Shaun White (\$3.50) of the men's competition may be well worth a look. And, finally, our last advice that is probably the most important one out of the three.
