There are several types of wilds: Expanding wilds, once activated, take up the whole reel, turning all the symbols on their way into wilds. Sticky wilds keep their place for a number of spins, giving you a chance to win more frequently. A subtype of sticky wild is the shifting wild, which travels horizontally across the reels during every spin, and eventually disappears. Finally, stacked wilds fill up the whole reel by popping up one on top of the other. That's it at the moment.
