Because of its high payout percentage, blackjack is a popular game in live casinos and in Internet casinos. It isn't popular just because it's the most exciting game. The roll of the dice in craps is more exciting hand to hand, while the heads-up challenge of staring down an opponent in poker make that game such a standout. Even pokies have bigger thrills, because of the progressive jackpots which (occasionally) hit and make someone rich. Play for fun: you'll have access to all of the games to play for fun, not for real money. You can make use of this option to learn the ropes before playing for the big time.
